DIGITAL SCOREBOARDS

Focus On Your Scoreboard not the financing

Digital Scoreboards & Blue Street Capital are focused on providing financing solutions so you can get busy utilizing your new scoreboard instead of worrying about how to pay for it.

We understand not all schools are ready to buy today. Many need options when deciding to purchase a new scoreboard. You know your school needs it and your students deserve it. Now you have a team that can make it happen.

FAST & SIMPLE Financing Solutions

Digital Scoreboards and Blue Street Capital will have a financing solution for you in as little as two business days. Our solutions are tailored to you and your needs. No tedious paperwork or long-form applications, just a team that handles the process and gets you approved in just hours.

Experience the FREEDOM

Athletic Directors, Superintendents, Presidents, and other school leaders from across the country put their financing worries to rest when they partnered with Digital Scoreboards and Blue Street Capital. Their FREEDOM from the process and the concerns allowed them to focus on getting the right scoreboard for their school and generating revenue from the digital advertising opportunities created.

SOLUTIONS GUARANTEED.
